

**Georgetown University School of Medicine  
Graduate Advisory Committee  
2010 – 2011**

The Graduate Advisory Committee (GAC), comprising GUMC graduate program directors, graduate student representatives and department representatives, is charged with the general oversight of graduate biomedical education at the Georgetown University Medical Center. Specifically, the GAC is responsible for the development and recommendation of new policies and procedures, implementation and enforcement of approved and existing policies and procedures which directly pertain to graduate biomedical education, and Medical Center-level approval of new graduate programs. The GAC is committed to the quality, integrity and growth of graduate biomedical education at Georgetown University.

Thomas G. Sherman, Ph.D., Chair  
Associate Professor, Pharmacology  
Director, Biomedical Sciences Program; Associate Director, SMP

Gerard Ahern, Ph.D.  
Associate Professor and Director of Graduate Studies, Pharmacology Ph.D.  
Director, GU/NIH Program

Jan Blancato, Ph.D.  
Associate Professor and Director of Graduate Studies, Tumor Biology

Jack Chirikjian, Ph.D.  
Professor, Biochemistry and Molecular & Cellular Biology; Director of Graduate Studies,  
Biotechnology Program

Kathy Davis, *Ex-Officio*  
Program Coordinator, Biomedical Graduate Education, Recording Secretary

William A. Fonzi, Ph.D.  
Professor and Director of Graduate Studies, Microbiology & Immunology

William Frazier  
Ph.D. Thesis Student, Medical Center Graduate Student Organization (MCGSO)

Robert Friedland, Ph.D.  
Associate Professor, SNHS, Director of Graduate Studies, Health Services Administration

Neely Gal-Edd  
Ph.D. Thesis Student, Medical Center Graduate Student Organization (MCGSO)

Donna Jean Garrett, *Ex-Officio*  
Assistant Director, Finance and Administration, Biomedical Graduate Research Organization

Jessica Jones, Ph.D.  
Associate Professor, Biochemistry and Molecular & Cellular Biology  
Faculty Senate

Valeriy Korostyshevskiy, PhD  
Associate Professor and Director of Graduate Studies, Biostatistics, Bioinformatics and Biomathematics

Lawrence F. Kromer, Ph.D.  
Professor, Neuroscience

Travis Major, *Ex-Officio*  
Program Coordinator, Biomedical Graduate Education

Marko Moscovitch, Ph.D.  
Associate Professor, Radiation Medicine, and Director of Graduate Studies, Health Physics Program

Susan Mulroney, Ph.D.  
Professor and Director of Graduate Studies (SMP), Pharmacology

Adam K. Myers, Ph.D.  
Professor, Pharmacology; Associate Dean for Biomedical Graduate Education

Adeana Peters, *Ex-Officio*  
Financial Administrator, Biomedical Graduate Education

Sharon Radzyminski, Ph.D.  
Associate Professor and Assistant Chair, SNHS

G. William Rebeck, Ph.D.  
Director of Graduate Studies, Interdisciplinary Program in Neuroscience

Cara Richards, *Ex-Officio*  
Associate Director, Biomedical Graduate Education

Anna Tate Riegel, Ph.D.  
Professor and Associate Director for Cancer Research Education, Lombardi Comprehensive Cancer Center

Dean Rosenthal, Ph.D.  
Associate Professor, Biochemistry and Molecular & Cellular Biology; Director of Graduate Studies, Ph.D. in Biochemistry & Molecular Biology

Kathryn Sandberg, Ph.D.  
Professor, Nephrology & Hypertension  
Director of Graduate Studies, Physiology & Biophysics

James F. Schaefer, Ph.D., *Ex-Officio*  
Associate Dean, Graduate School of Arts and Sciences

Todd Waldman, M.D., Ph.D.  
Associate Professor, Lombardi Comprehensive Cancer Center  
Director, M.D. / Ph.D. Program

Barry B. Wolfe, Ph.D.  
Professor of Pharmacology, and Director of Graduate Studies, Pharmacology M.S.
