

**Georgetown University  
Institutional Review Board – Oncology  
2010 – 2011**

The role of the Georgetown University Institutional Review Board (IRB) is to safeguard the rights and welfare of all human subjects who participate in research conducted by Georgetown. It has the authority to disapprove, modify, or approve protocols based upon human subject protection. It requires annual progress reports from the investigator and oversees the conduct of the study.

**Chair**

Jimmy Hwang, M.D.  
GUMC  
Hematology/Oncology LCCC

Brian Collins, M.D.  
GUMC  
Radiation Medicine

Andrew Putnam, M.D.  
GUMC  
Hematology/Oncology

**Vice Chair**

Vinay Gupta, M.D.  
Union Memorial Hospital  
Surgical Oncology

Jonathan Cosin, M.D.  
Washington Hospital Center  
Gynecologic Oncology

Daniela Radu, M.A.  
GUMC  
Director, Human Subject  
Protection Program  
Non-Scientist

**Vice Chair**

Vera Malkovska, M.D.  
Washington Hospital Center  
Hematology/Oncology

John Deeken, M.D.  
GUMC  
Hematology/Oncology

Suman Rao, M.D.  
Franklin Square Hospital Center  
Hematology/Oncology

Simona Armanca, RPh, PharmD  
Georgetown University Hospital  
Research Pharmacy

Jean Flack, RN
